No fee is believed to be required in connection with the filing of this Information Disclosure Statement since it is being filed in compliance with 37 C.F.R. §1.97(b)(3), before the mailing of a first Office Action on the merits of the above-captioned application. In addition, if an office action has been mailed, but not yet received, no fee is due since the Information Disclosure Statement would comply with 37 C.F. R. §1.97(c) because I hereby certify that no item of information in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, or, to my knowledge, after making

reasonable inquiry, was known to any individual designated in §1.56(c) more than three months prior to the filing of this Information Disclosure Statement.

Applicants believe that their APPARATUS FOR MONITORING HEALTH, WELLNESS AND FITNESS as described and claimed in the present application is neither taught nor suggested by this prior art. Accordingly, applicants' invention is believed to be patentable over these prior art references.

Respectfully submitted,
